

Terrifying Tiger directions

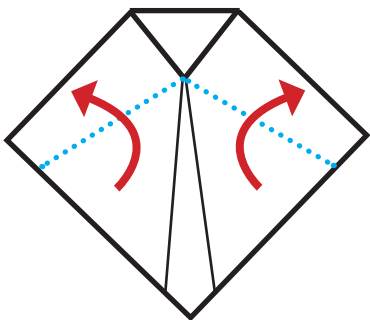

1. With the tiger's mouth at the top and the paper blank side up, fold in half.

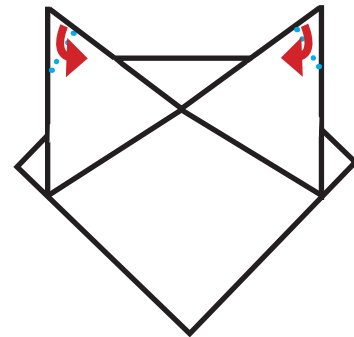

2. Fold left and right points down.

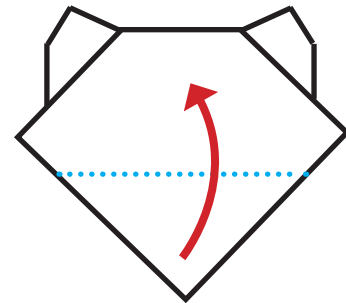

3. Fold top corner down.

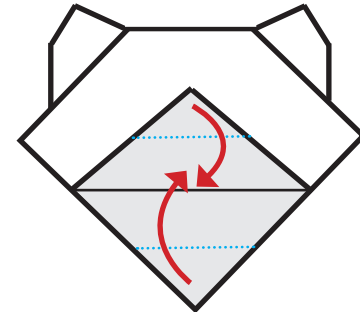

4. Fold each point up and to the side.

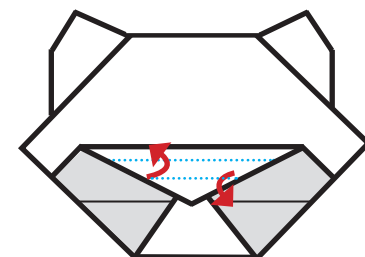

5. Fold tips down, then flip the tiger over.

6. Fold the top layer of the paper back at the longest dotted line.

7. Fold the tiger's nose down. Fold the mouth up and tuck it behind the nose.

8. To finish the nose, accordion fold it along the dotted lines.

You're done! If you like, color and display your terrifying tiger.
