

Dear \_\_\_\_\_,

Let's create an alien together! I've named this alien \_\_\_\_\_.  
It is from the planet \_\_\_\_\_ and likes to \_\_\_\_\_.

I've drawn in the alien's head. Now it's your turn to draw the rest of it and add a message at the bottom. (To make it even more fun, don't peek at my part until after you've finished!) Please send the alien back to me when you're done.

I hope you have as much fun as I do!

From: \_\_\_\_\_

A message from outer space:

A large rectangular area for drawing and writing. It is divided into three vertical sections by two vertical dashed lines. The leftmost section is the narrowest, the middle section is the widest, and the rightmost section is the narrowest. This layout is designed to guide the child's drawing of the alien's body and the placement of a message.
